NOTES

Due to the ripple pattern stitch, gauge is measured over Stockinette stitch.

To make threading seed beads onto yarn easier, thread a sewing needle with a short piece of thread (approximately 8" long). Tie this thread into a loop and then put end of knitting yarn into this loop. Pick up beads onto needle, slide them onto the thread loop, and then onto the knitting yarn.

Wristlets are knitted flat and then seamed.

To avoid having excessive ends to weave in, do not cut MC after joining it but carry it loosely along the side of the knitting when knitting with CC.
